The newest asset of the Lions Wilderness Camp Foundation and the Lions of California, Camp Ross Relles, north of Grass Valley & Nevada City, provides a beautiful retreat in tall pines, oaks, and fragrant cedar in the heart of District 4-C5.

Just as the prospectors came to these hills to find their fortune, campers may come to find value in themselves, independence, self-esteem, outdoor skills and nature's gifts of fun and sport in the great outdoors. This camp is in compliance with the American Disabilities Act opening the summer to a variety of possibilities for everyone. Besides indoor plumbing, hot showers, pool, cement sidewalks, a volleyball court, basketball hoop, athletic field, archery, horseshoe pits, fire circle, crafts area and a lodge with a fireplace, there are 228 acres of natural features including a creek for panning, many trails for hiking, mountain biking and out-camping areas.

BRING YOUR GROUP for a week or weekend of camping. Book early for your Lions, church, school, scout, or handicapped organization. Groups seeking an alternative to the school, office or city atmosphere for organizational meetings or retreats will find this the place to be.

Reserve today. **HELP SPREAD THE WORD.** If you know a group looking for a camp experience, tell them about us.
