LIONS INTERNATIONAL YOUTH EXCHANGE PROGRAM

Learning by experience is the foundation of the Lions International Youth Exchange Program. Since the program's introduction in 1961, there have been thousands of:

- ◆ Young adults ages 15-21 who have traveled to other Lions countries.
- ◆ Lions clubs that have sponsored youth exchanges.
- ◆ Lions clubs that have hosted youth exchanges in their country.
- ◆ Lions-approved host families who have welcomed youth exchanges into their homes.

Life Lessons Across Cultures and Around the World

Each year, the Lions International Youth Camp and Exchange Program introduces young people to life in other cultures by helping them travel abroad. Each Youth Camp and Exchange includes an extended stay hosted by one of our many international clubs.

As a participant in the international student exchange program, you will:

- Live with a family in another country
- Meet people your age from around the world
- Learn about the bonds we all share – and the differences we respect in each other no matter where we live

The Lions Youth Exchange Program is not intended for tourism or academic studies. During the four to six week exchange, program participants reside with two or three Lion-approved host families. Through this home stay opportunity, young people learn about life in another culture.
