

PARADISE IS NOT LOST
District Wide Fund Raiser
for
Camp Fire Relief

To: Lions Clubs of District 4c5

From: Grass Valley Gold Country Lions Club

The Camp Fire calendars are being produced by the printer AND should be available on or around December 19, 2018. An unformatted preliminary calendar is attached and provides a reflection of what Paradise was and what it can be and will again. The overall theme of the Calendar is **PARADISE IS NOT LOST**. As Lions we want to do our part to help the survivors realize this goal.

We are urging all clubs to participate in this fund raiser. You can purchase calendars from us for \$10 and then accept donations from your members, community, family and friends for \$20 each. The \$10 that your Club will net could then be used in any way you wish to benefit the Camp Fire victims. One obvious way where you could donate your proceeds is through LCIF and designate the funds to be used for Camp Fire Relief. On the back page of the calendar are other reputable sites that you could choose to donate your funds, or you could opt to choose another venue.

Please order your calendars as soon as possible so we can deliver them to you upon receipt. While we prefer to send these out in **minimum lots of 50 calendars** (it helps with the shipping expenses), we'll accept smaller orders if necessary.

Your check should be made out and sent to:
