

WOODLAND HOST LIONS

FIRST ANNUAL

HOLIDAY WREATH FUNDRAISER

22" Mixed Evergreen Wreath \$45.00

An aromatic combination of Noble fir, berried juniper and incense cedar. Touches of color are provided by red faux holly berries. A pre-tied checkered tree bow is included for easy attaching.

The profits will be going to help childhood cancer!

Working with 1st VG Cat Gon we will be directing funds towards the UC Davis Pediatric Cancer Center, City of Hope and Ronald McDonald House. Funds will be directed towards children and families in the way of assistance, sheltering, and supplying distraction such as art supplies, entertainment, etc. for the children undergoing treatment. We have an opportunity to make a significant difference in their quality of life. Although not used in a curative treatment the effects are still quite impactful, especially to the children who are separated from their families during treatments and the loss of the joys of childhood fun and ability to play due to the ravages of their disease.
