MAKE A DIFFERENCE. MAKE HISTORY.
MAKE STRIDES.

More than \$76 Million are currently invested in breast cancer research grants.

We respond to more than 1.4 million requests for cancer information through our helpline and chat services, and more than 134 million visitors looked to our website for cancer information.

Through a secure mobile app, we connect those facing breast cancer with trained breast cancer survivors to support them during their journey – anywhere in the country.

Join our **District 4C5 Lions** (Team Name) at
2021 Making Strides Against Breast Cancer-Sacramento
and start fundraising now!

The Walk is at the State Capitol on **Sunday, October 17th, 2021**, at 9:00 am or if you can't make it downtown, start your own 5K walk in your area!

The District 4C5 Lions goal is \$2,500 to become a Pacesetter Team!

You or your club can also donate online (look for District 4C5 Team) or mail a check **made payable to the American Cancer Society (ACS) to:**
